

Technical Data Sheet

Black Premium

A39-515

Description:

Liquid detergent for dark garments both for hand wash and machine wash. Specific for black and dark garments, with additives that avoids greying.

- Makes black garments shine
- Delicate on colours and garments
- Avoids discoloration and redeposition of non fixed colours
- Phosphates, silicates and alkalis free
- Enzymes with an effect which revives the black colour

How To Use:

HygienFresh® Black Premium can be used on all natural and synthetic garments both hand wash and machine wash
